GBED

ROCKFORD RAM SUMMER BALL

 2009 

Rockford Baseball would like to announce that they will be providing at least one, and possibly two, 16 and under (16U) Summer Baseball teams for our RAMS starting next summer, 2009. At this time, the plan is to join the area's Top Travel League. The season begins after the high school baseball season has concluded and runs through mid/late July. Games usually are double headers that take place on weekdays. Although these plans are still in the development stage, the RAMS would like to supplement league games by adding double headers and/or hosting weekend invitational(s) at RHS and traveling to other invitational(s). The goal is to schedule at least 24 games following the high school season.
